

Amendments to the Claims:

This listing of claims will replace all prior versions, and listings, of claims in the application:

Listing of Claims:

Claim 1 (canceled)

Claim 2 (currently amended): The display system of claim ~~1~~ 13 wherein at least one of said first and second computer displays are user-supported displays selected from the group consisting of head-mounted displays, flat panel displays, neck hung displays, wrist-mounted displays and mixtures thereof.

Claim 3 (original): The display system of claim 2 wherein one of said first and second displays is a non-user-supported display and one is a user-supported display.

Claim 4 (original): The display system of claim 2 wherein said computer is a user-supported computer.

Claim 5 (original): The display system of claim 2 wherein said computer is a mobile computer.

Claim 6 (original): The display system of claim 2 wherein said computer is a vehicle-mounted computer.

Claim 7 (original): The display system of claim 2 wherein communication means are in electrical contact with said computer.

Claim 8-12 (canceled)

Claim 13 (new): A display system for displaying information from a user-supported computer, the display comprising: at least one primary display and at least one display to supplement data received through said primary display (supplemental display), said

supplemental display being a head-mounted display, said head-mounted display being worn on a user's head and which provides said user with limited contextual information; said primary display being a body-worn display, said body-worn display being supported by the body of said user and which provides said user with a fully functional computer display, and wherein said supplemental display has means to provide data to augment data displayed on said primary display.
